APPLICATION FOR PERMIT TO PERFORM TREE WORK

Any person desiring a permit to remove a tree from their property shall submit a written application to the Superintendent of Public Works, provided the number of trees to be removed, destroyed or substantially altered on such property does not exceed two (2) tree(s) in any period of one (1) year.

Not applicable to:

1. The removal of diseased or dead tree(s)
2. The removal of any tree which has become or threatens to become a danger to human life or property.

The application shall include the following information:

1. Name and Address of applicant.
2. Written consent of the owner of the land, if applicant is not the owner.
3. Survey of property with trees to be removed marked on survey map.
4. Size and species of trees to be removed.
5. Name, Address, of tree contractor and General Liability Insurance information.
6. Type, size and quantity of replacement tree(s.) *
7. Filing fee. (No fee is collected if the tree is found to be diseased or dead)

*The Village Official may require any of the following: the planting of the same or agreed upon alternate species of tree(s) as are to be removed; an arborist report; site survey or diagram; landscape plan; topography survey or other documentation with respect to the application and or Chapter 190, Preservation of Tree(s). The individual character of the tree(s) or the ecological setting requires special consideration, may be a condition for the issuance of a permit for tree removal. The location for planting of the replacement tree(s) shall be agreed upon between the applicant and the Superintendent of Public Works prior to issuance of a permit for removal.

FEE SCHEDULE

One to two trees	\$25.00 per tree
------------------	------------------

Fees are doubled if work is done prior to the issuance of a permit
