OF THE BOARD OF TRUSTEES
OF THE VILLAGE OF THOMASTON**

November 20, 2012

The Board of Trustees met on Tuesday, November 20, 2012 at the Village Hall, 100 East Shore Road, Great Neck, New York.

Present: Mayor Robert Stern, Deputy Mayor Steven Weinberg, Trustee James Sharkey, Trustee Gary Noren and Trustee To-on Pang

Temporary Suspension of Building Permit Fees

Due to the extensive damage to private homes in the Village by both Hurricane Sandy and snow storm Athena the Board of Trustees discussed the suspension of the collection of Building Permit fees.

RESOLUTION 12-65

Upon motion of Deputy Mayor Weinberg, seconded by Trustee Sharkey and unanimously approved, the following resolution was adopted:

RESOLVED, that, in order to assist residents in recovering from recent storms, permit fees will not be charged for building permits applied for within six months from the date hereof to the extent covering work necessary to repair damage to private single-family or two-family homes in the Village caused by either Hurricane Sandy or the following snow storm Athena. This moratorium does not suspend or waive any of the requirements of the Village Code with regard to the filing of architectural drawing, certificates of insurance for contractors, or any other requirements for building permits. The moratorium on building permit fees effected by this Resolution will expire six months from the date hereof (i.e. on May 20, 2013), and full fees will be restored for all building permit applications (or changes to prior building permit applications) filed after May 20, 2013.

There being no further business the meeting was closed at 8:00 PM so that the Board could reconvene as the Assessment Board of Review.

Respectfully submitted,

Barbara J. Daniels

Village Administrator
