Application of 235 Schenck Avenue

The Board reviewed the draft resolution prepared by the Village Attorney pursuant to the Board's December 6, 2022 resolution directing counsel to draft a decision for disapproval of the design for the application of 235 Schenck Avenue for a new two-story, single-family dwelling.

Mayor Weinberg moved adoption of the following resolution, which was seconded by Trustee Chagrin:

WHEREAS, pursuant to Village Code Chapter 16, the Design Review Board ("DRB") has recommended approval of a building permit application submitted and reviewed with respect to premises 235 Schenck Avenue in the Village of Thomaston ("Village"), and

WHEREAS, in the exercise of its decision-making authority pursuant to Village Code 16-7, the Village Board of Trustees ("BOT") has reviewed the said recommendation, and in doing so has considered the available record of the proceedings before the DRB, including the minutes of the DRB, and

WHEREAS, the BOT conducted its review at a public meeting of the Board held on December 6, 2022, at which time the BOT discussed the proposed design, and the nature and character of the neighborhood and community, and

WHEREAS, at the said December 6, 2022 meeting, the BOT also heard comments from the permit applicant and from members of the community, and

WHEREAS, following such review and comments, the BOT directed the Village Attorney to draft a decision, consistent with the comments of the members of the BOT at the December 6, 2022 meeting, for consideration of the Board at its next meeting,

NOW, THEREFORE, BE IT

RESOLVED, that the instant application is a Type II Matter pursuant to the State Environmental Quality Review Act, which requires no separate review of environmental impacts, and it is further

RESOLVED, that the BOT hereby finds and concludes as follows:

- the general character of the homes in the immediate neighborhood of the subject property is homes of Dutch colonial, ranch, high ranch and cape cod design, whereas the proposed dwelling is not any of those designs and appears to be a mixed modern design with chateau elements
- the proposed design is inconsistent with the design of other homes on the same street or in the neighborhood
- the proposed design is inconsistent with the character of the neighborhood, and disruptive of the nature and “feel” of the neighborhood
- the proposed design is excessively dissimilar to, and inappropriate for, the neighborhood such as to adversely affect the nearby properties
- the proposed design would not be in harmony with the purposes Village Code Chapter 16, and particularly section 16-5(A)
- the proposed design is visually offensive by reason of appearance, and visual or architectural discord in relation to the site or surrounding properties in the immediate vicinity, so as to be detrimental to, and disruptive of, the character of the neighborhood
- the proposed design would mar, and adversely affect, the appearance of the area
- the proposed design would impair the enjoyment and desirability of properties in the area
- although zoning compliant, the proposed design is too large for the lot, and would visually overwhelm the neighborhood, and it is further

RESOLVED, that the proposed design is not consistent with the purposes of Village Code Chapter 16, and it is further

RESOLVED, that the BOT hereby finds and concludes that the recommendation of the DRB is hereby reversed, , and it is further

RESOLVED, that the permit application for 235 Schenck Avenue be, and hereby is, denied.

The vote on this resolution was: Mayor Weinberg: Aye Deputy Mayor Weston: Nay
